

FREE SUPPORT FOR YOUR BUSINESS DURING THE PANDEMIC

YOUR SUCCESS IS OUR PRIORITY

Business support services, business management software and analytics from Simply Consulting, Simply Limited and Raptech Solution FREE until July.

Specifically for businesses facing challenges during the pandemic period. We recognise this is a difficult time for many in the industries that we serve and we want to do our bit to support.

MANAGING COSTS

Concerned about how to manage spend and costs, either direct and indirect?

SUPPLY CHAIN DISRUPTION

Impacted by scarcity or disruption in the supply chain or purchasing process?

INVENTORY CHALLENGES

Lost visibility of stock, materials and supplies? Need better control of Availability and Cost?

DATA ACCURACY

Customer interactions being hampered by incomplete or inaccurate data?

If these are some of the challenges you are facing or are going to face we have a range of services and solutions available to support you. Operational and making a difference in days, delivered remotely and safely.

REPORTING

Measurement, reporting and insight from our team of analysts and consultants – clear outputs and actionable recommendations

AUTOMATION

Automation of tasks and processes for increased quality and scale including inventory management and sourcing

MASTER DATA

Data management and cleansing including customer master, product master and supplier master and other critical records

RESOURCES

Consultant and analyst support for commercial strategy, process improvement, digital transformation and project management
